school corporation's making a referendum tax levy for the ensuing calendar year:

(1) Whenever:

(A) the tax control board recommends to the department of local government finance that the appellant school corporation be permitted to make a referendum tax levy for the ensuing calendar year if a majority of the individuals voting in a referendum held in the appellant school corporation approves the appellant school corporation's making a referendum tax levy;

(B) the department of local government finance gives the board's written approval of the recommendation; and

(C) the appellant school corporation requests that the tax control board take the steps necessary to cause a referendum to be conducted;

the tax control board shall proceed in accordance with this subsection.

(2) The question to be submitted to the voters in the referendum must read as follows:

"For the __ (insert number) calendar year or years immediately following the holding of the referendum, shall the school corporation impose a property tax rate that does not exceed _____ (insert amount) cents (\$0. __) (insert amount) on each one hundred dollars (\$100) of assessed valuation and that is in addition to the school corporation's normal tax rate?".

The voters in a referendum may not approve a referendum tax levy that is imposed for more than seven (7) years. However, a referendum tax levy may be reimposed or extended under this subsection.

(3) The tax control board shall act under IC 3-10-9-3 to certify the question to be voted on at the referendum to the county election board of each county in which any part of the appellant school corporation lies. Each county clerk shall, upon receiving the question certified by the tax control board, call a meeting of the county election board to make arrangements for the referendum. The referendum shall be held in the next primary or general election in which **all the registered voters who are** residents of the appellant school corporation are entitled to vote after certification of the question under IC 3-10-9-3. However, if the referendum would be held at a primary or general election more than six (6) months after certification by the tax control board, the referendum shall be held at a special election to be conducted not

less than ninety (90) days after the question is certified to the circuit court clerk or clerks by the tax control board. The appellant school corporation shall advise each affected county election board of the date on which the appellant school corporation desires that the referendum be held, and, if practicable, the referendum shall be held on the day specified by the appellant school corporation. The referendum shall be held under the direction of the county election board, which shall take all steps necessary to carry out the referendum. **If a primary election, general election, or special election is held during the sixty (60) days preceding or following the special election described in this subdivision and is held in an election district that includes some, but not all, of the school corporation, the county election board may also adopt orders to specify when the registration period for the elections cease and resume under IC 3-7-13-10.** Not less than ten (10) days before the date on which the referendum is to be held, the county election board shall cause notice of the question that is to be voted upon at the referendum to be published in accordance with IC 5-3-1. If the referendum is not conducted at a primary or general election, the appellant school corporation in which the referendum is to be held shall pay all of the costs of holding the referendum.

(4) Each county election board shall cause the question certified to the circuit court clerk by the tax control board to be placed on the ballot in the form prescribed by IC 3-10-9-4. The county election board shall also cause an adequate supply of ballots and voting equipment to be delivered to the precinct election board of each precinct in which the referendum is to be held.

(5) The individuals entitled to vote in the referendum are all of the registered voters resident in the appellant school corporation.

(6) Each precinct election board shall count the affirmative votes and the negative votes cast in the referendum and shall certify those two (2) totals to the county election board of each county in which the referendum is held. The circuit court clerk of each county shall, immediately after the votes cast in the referendum have been counted, certify the results of the referendum to the tax control board. Upon receiving the certification of all of the votes cast in the referendum, the tax control board shall promptly certify the result of the referendum to the department of local government finance. If a majority of the individuals who voted in the referendum voted "yes" on the referendum question, the department of local government finance, upon being notified in

C
o

the manner described in this subsection of the result of the referendum, shall take prompt and appropriate steps to notify the appellant school corporation that the appellant school corporation is authorized to collect, for the calendar year that next follows the calendar year in which the referendum is held, a referendum tax levy not greater than the amount approved in the referendum. The referendum tax levy may be imposed for the number of calendar years approved by the voters following the referendum for the school corporation in which the referendum is held. If a majority of the individuals who voted in the referendum voted "yes" on the referendum question, the school corporation shall establish a referendum tax levy fund under IC 21-2-11.6. A school corporation's referendum tax levy may not be considered in the determination of the school corporation's state tuition support under IC 21-3-1.7 or the determination of the school corporation's maximum general fund tax levy under this chapter and IC 21-3-1.7. If a majority of the persons who voted in the referendum did not vote "yes" on the referendum question, the appellant school corporation may not make any tax levy for its general fund other than a normal tax levy, and another referendum under this subsection may not be held for a period of one (1) year after the date of the referendum.

(d) With respect to any school corporation to which a loan or advance of state funds is made under this section, or for which such a loan or an advance is recommended, for purposes other than the purpose specified in section 4.7 of this chapter, the tax control board may recommend to the department of local government finance that the school corporation be authorized, for a specified calendar year, and solely for the purpose of enabling the school corporation to repay the loan or advance, to collect an excessive tax levy. A recommendation under this subsection must specify the amount of the recommended excessive tax levy. Upon receiving the recommendation from the tax control board, and without any other proceeding, the department of local government finance may authorize the school corporation, for a specified calendar year, to make an excessive tax levy in accordance with the recommendation of the tax control board or in accordance with a modification of the recommendation that the department of local government finance determines is proper. Whenever the department of local government finance exercises the power given to the department of local government finance under this subsection, the department of local government finance shall, in the department's order to the affected school corporation, specify the amount of the authorized excessive tax

1 levy and take appropriate steps to ensure that so much of the proceeds
2 of the excessive tax levy as should be used for loan repayment purposes
3 is not used for any other purpose. The department of local government
4 finance may not exercise the power described in this subsection to
5 authorize any school corporation to collect an excessive tax levy for
6 more than one (1) calendar year in any period of four (4) consecutive
7 calendar years.
